Description:

Review "Sexual Personae is an enormous sensation of a book, in all the better senses of 'sensation'. There is no book comparable in scope, stance, design or insight." Harold Bloom "A fine, disturbing book. It seeks to attack the reader's emotions as well as his/her prejudices. It is very learned. Each sentence jabs like a needle." Anthony Burgess "It relentlessly pursues its ambition to assault the emotions, batter the brain and aim a kick at the groin." Alan Bold, The Times "Provocative... a radical reappraisal of the human condition. Her style is marked by angry exhilaration, brittle epigrams and acid paradoxes." Times Literary Supplement --This text refers to an out of print or unavailable edition of this title.

From the Publisher "A remarkable book, at once outrageous and compelling, fanatical and brilliant....One must be awed by [Paglia's] vast energy, erudition and wit"--Washington Post Book World
